

## **No-Tick Shot rule.**

Curling Canada will formally adopt the World Curling Federation's No-Tick Shot rule for all its championship events starting in the 2023-24 curling season.

**It should be noted that the No-Tick Shot rule is not in the Rules of Curling for General Play 2022-2026**

[Here is the official wording of the rule via Curling Canada.](#)

*If, prior to the delivery of the sixth stone of an end, a delivered stone causes either directly or indirectly, an opposition stone in the Free Guard Zone (FGZ) which is touching the centre line to be moved to an off-centre line position or to a position outside the FGZ, the non-offending team has the option to:*

*(i) Remove the delivered stone from play, and replace all stones that were displaced to their positions prior to the violation taking place; or*

*(ii) Leave all stones where they came to rest.*

*If the stone is moved from the centre line to an out-of-play position, then the FGZ rule applies.*

*This does not apply for Wheelchair Curling or for Mixed Doubles competitions.*
